## CRS Electronics Appoints Paul Haber as Interim Chief Financial Officer

**May 20, 2010 Welland, ON** – CRS Electronics Inc. (“CRS”), (TSX-V:LED), an inventor, developer and manufacturer of LED lighting, today announced that Mr. Paul Haber has been appointed Chief Financial Officer effective immediately. Mr. Haber replaces Colin Digout, who has resigned as Chief Financial Officer of the Company for personal reasons.

“We would like to thank Colin for his tremendous contribution to the company over the years. Colin was instrumental to our successful listing on TSX Venture Exchange and a pleasure to work with.” said Scott Riesebosch, President of CRS Electronics “We wish him continued success in his future endeavors.”

Paul Haber, C.A. and currently Audit Committee Chair will assume the role of interim CFO and Jason Sparaga, C.A. an independent director will assume the position of Audit Committee Chair. The Company is in the process of hiring a corporate controller who is expected to fulfill the majority of the day to day accounting and financial reporting requirements of the Company. Mr. Haber is an experienced public company CFO having held this role for several companies including Migao Corporation (TSX:MGO), QuStream Corporation (TSX-V:QVC) and Oremex Resources Inc. (TSX-V:ORM).

### About CRS

CRS is a leader in the emerging, rapidly-growing market of high efficiency light-emitting-diode (“LED”), or, solid state lighting (“SSL”). The principal activities of CRS include the development, manufacture and sale, primarily in North America, of indoor and outdoor lighting such as LED replacement lamps, LED streetlights, exterior LED warning lights on school buses, child safety systems for school buses and contract manufacturing of LED circuit boards. CRS is a well-established supplier to both the school bus industry and the LED contract manufacturing industry, providing a stable and growing revenue source. CRS plans to be a major supplier of LED light engines for a variety of applications to be developed by CRS on its own and in conjunction with its customers. Several of CRS’s customers use CRS LED MR16 lamps to replace up to 50 watt halogen MR16s.
