(“CRS” or the “Company”), (TSX-V:LED), a developer and manufacturer of LED lighting, today announced the grant of new incentive stock options to acquire up to 500,000 common shares of the Company to an insider of the Company, Mr. Scott Riesebosch, director and Chief Technology Officer, having a term of five years and an exercise price of \$0.24 per share, vesting as to one-fourth at the end of each of the four anniversary dates following the date of grant and subject to the terms of the Company’s stock option plan.

About CRS

CRS Electronics Inc., a Lighting Facts partner, is a leader in the emerging, rapidly-growing market of high efficiency light-emitting-diode (“LED”), or, solid state lighting (“SSL”). The principal activities of CRS include the development, manufacture and sale, primarily in North America, of indoor lighting such as LED replacement lamps, exterior LED warning lights on school buses, child safety systems for school buses and contract manufacturing of LED circuit boards. CRS plans to be a major supplier of LED lighting solutions for a variety of applications to be developed by CRS on its own and in conjunction with its partners and customers.
