About CRS

CRS Electronics Inc., an Energy Star and Lighting Facts partner, is a leader in the emerging, rapidly-growing market of high efficiency light-emitting-diode ("LED"), or, solid state lighting ("SSL"). The principal activities of CRS include the development, manufacture and sale, primarily in North America, of indoor and outdoor lighting such as LED replacement lamps, LED streetlights, exterior LED warning lights on school buses, child safety systems for school buses and contract manufacturing of LED circuit boards. CRS is a well-established supplier to both the school bus industry and the LED contract manufacturing industry, providing a stable and growing revenue source. CRS plans to be a major supplier of LED light engines for a variety of applications to be developed by CRS on its own and in conjunction with its customers. Several of CRS's customers use CRS LED MR16 lamps to replace up to 50 watt halogen MR16s.
